

Voice Over 101- INT - Recap

VO101 Intermediate Power Plan Recap

* These are the general topics, techniques and objectives covered during the intermediate plan:

- **Paper 1: Primary Colors** - the 5 primary “voice over” colors used as the foundation of your sound build.
- **Paper 2: Emotions & Attitudes** - selecting the proper “emotion and attitude” to compliment colors.
- **Paper 3: Inflections & Tones** - presenting the right “inflection” or intent behind your delivery.
- **Paper 4: Word Whipping, Stretching & Stalls** – Movement, pulling words and natural stall placement.
- **Paper 5/5b: Dynamic Word / Phrase Emphasis** - dynamically attacking and hitting words and phrases.
- **Paper 6: Voice Registers** - using your 3 primary voice ranges or registers – lower, middle and upper.
- **Paper 7: Good Speech Skills** – the art of clean voice over, enunciation, articulation and projection.
- **Paper 8: Business & Marketing** - the steps to good on-going marketing and doing business as a talent.

***NOTE:** Not all papers apply to every student. Some papers may not be shared due to the plan or agenda.*
